Back by Popular Demand! **Wildfire! Ready! Set! Go!**

Wednesday, December 14th, 6:30 p.m.

Hill Country Middle School

1300 Walsh Tarlton Lane

ESD#9 Resident:

Many residents have been concerned over the recent wildfires in Travis and Bastrop Counties over the last six months with good reason. The **Westlake Fire Department** (Travis County ESD#9) has always been concerned about the wildfire hazard in our District. We are hosting another community-wide event to inform citizens about evacuation plans/routes and suggestions for compiling an Evacuation Kit should the need for evacuations arise.

The Texas Forest Service will present a popular and informative program called **Wildfire! Ready! Set! Go!** This program will help homeowners reduce the chances of damage to their homes by establishing a Wildfire Action Plan for families, including checklists for preparation before a wildfire happens, steps to take when a wildfire approaches, and actions to take when evacuating. Our goal is for you, your family, and neighbors to be prepared *before* the holidays and the dry winter season, during which the drought conditions are predicted to persist.

We encourage **all residents** to attend this informative presentation. Please arrive early to ensure parking and seating availability.

The Wildfire! Ready! Set! Go! Program document is available on our website at **www.westlakefd.org** on the Residential/Preparedness page. More information can be found at www.firewise.org.
